

Geography – Spring 2 - Agriculture

Year 3

Key vocabulary

settlement	a place where people have come to live and have built homes
village	a group of houses, together with other buildings such as a church and a school in a country area
town	a place with many streets and buildings where people live and work
city	a large town
hamlet	a very small village
farmstead	a farm or part of a farm with its buildings together with grounds
rural	places that are far away from large towns or cities
inhabitants	the people who live in a place
urban	belonging to or relating to a town or city
sprawl	a city that is growing in size or population

London is the largest city in the UK.
Each area is called a borough.
It started as a small settlement built near the river.

Settlement size

Types of settlements

hamlet	<ul style="list-style-type: none"> - Very small number of houses - Might not have any other buildings (church, shop or pub) other than houses
village	<ul style="list-style-type: none"> - In rural areas - Has houses, a church, post office, small shops, a primary school, a pub and a village hall - Does not have a hospital or secondary school
town	<ul style="list-style-type: none"> - Seen as an urban settlement - There are more people so there is more shops and schools - Has a hospital and secondary school - Usually a train station and police station
city	<ul style="list-style-type: none"> - More facilities such as sports stadiums and gyms - Has universities, large hospitals and sometimes a cathedral and airport
