

Geography - Spring 1 – Life in the United Kingdom

Year 1

United Kingdom	Four countries make up the United Kingdom. They are England, Wales, Scotland and Northern Ireland.
Country	A country is a big piece of land with its own set of rules (government) and borders that separate it from other places,
Capital city	Where the government of a country is based.
Island	A Piece of land that is surrounded by sea.
Human Feature	Something you can see that has been built or made by people.
Physical Feature	Something you can see that is natural, like mountains, seas or trees.
Map	A picture or drawing of an area. It uses symbols to show places.
Coast	The part of an island that sits along the edge of the sea.
