

**Knowledge: I can...**

- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals.
- identify and name a variety of common animals that are carnivores, herbivores and omnivores.
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets).

**Vocabulary**

**pet** – a tame animal that people keep in their homes.  
**mammal** - a warm-blooded animal with fur or hair on its skin and a skeleton inside its body.  
**offspring** - the child or young of a particular human, animal, or plant.  
**bird** - an animal with two wings, two feet, and a body covered with feathers.  
**fish** - an animal that lives in water and has fins for swimming and gills for breathing.  
**reptile** - a cold-blooded animal with a skeleton inside its body and dry scales or hard plates on its skin.  
**amphibian** - a small animal that spends part of its life cycle in water and part of its life cycle on land.  
**fur** - the soft, thick hair that covers the bodies of certain animals.  
**scales** - one of the many small, hard, thin plates that cover fish, reptiles, and certain other animals.  
**tail** - the rear part of an animal's body that sticks out from the backbone.  
**wild animals** – living in a natural state; not tamed.  
**wing** - either of a pair of movable body parts used by birds, bats, or insects to fly.  
**carnivore** – an animal that eats the flesh of other animals.  
**herbivore** – an animal that only feeds on plants.  
**omnivore** - an animal that lives on a diet of both plant and animal food.

**Lesson Sequence:**

Lesson 1: I can sort and classify animals in different ways.  
Lesson 2: I can label the features of mammals and birds.  
Lesson 3: I know the differences between amphibians, reptiles and fish.  
Lesson 4: I can identify whether animals are carnivore, herbivore or omnivore.  
Lesson 5: I can explore the difference between wild animals and pets.  
Lesson 6: I can create a fact file about an animal of my choice.

fish

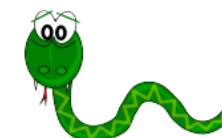

mammal

bird

amphibian

reptile
